

# ESOL Classes

At Coatbridge College, we have an award winning approach to ESOL which ensures you have every opportunity to improve your English language skills and gain recognised qualifications.

The Scottish Qualifications Authority has a range of National Qualifications in English for Speakers of Other Languages (ESOL). There are ESOL Units at five levels—from complete beginner (Access 2), to advanced (Higher).

Each unit and course includes speaking, listening, reading and writing and will help you:

- gain an English language qualification at a level suitable for you
- prepare for study and assessment in other subjects
- progress into work
- learn English using practical tasks
- progress to College or University
- with everyday life if you wish to settle in the UK or any English speaking country

New ESOL classes are starting in September. If you wish to apply for this course, please fill out an application form and return it to us.

If you have any queries or need any further information, please contact Sylwia Jurkowska on 01236 707070 or speak to someone in our Student Services Team on 01236 436000.
