Information on Course Fees

Course fees are payable at enrolment by cash, cheque or credit card. Invoices can be sent to employers who have agreed to pay their employees' fees.

If you are required to pay course fees, ILA Scotland could provide you with up to £200 each year towards the costs. The Individual Learning Account (ILA) is a Scottish Government scheme that can help you pay for the learning you want to do. It's for people who have an income of £18,000 a year or less, or who are on benefits. The money is not a loan - so you don't have to pay any of it back. Visit www.ilascotland.org.uk or call ILA free on 0808 100 1090 for information.

You may be eligible for a 'fee waiver' dependent on your personal circumstances. Please ask our finance staff for details when you enrol.
