

Coatbridge College

Award Winner College

COATBRIDGE COLLEGE IS THE BUSINESS!

In April 2009 we received a Highly Commended for our innovative ESOL (English for Speakers of Other Languages) project at a national awards ceremony in Edinburgh. The award recognised our partnership with local company, TDG Logistics. College staff developed customised ESOL classes for TDG Logistics' migrant workforce and delivered the courses on site and at the College to accommodate the increasing number of Polish migrant workers in the community.
