Client Information

Whilst every effort will be made to meet your needs, please remember that we are a training establishment. As such, appointments can be limited to specific dates or times and the service may take longer than anticipated.

We endeavour to create a professional working environment within the salons whilst teaching our students practical skills.

If you are dissatisfied with any service you receive, please discuss the details with the lecturer in charge and not the student who performed the service.

Children under the age of 5 years will not be allowed in the salons due to safety reasons.

No children under the age of 16 years can have any chemical treatments or be allowed in salons during school hours.
