

Hairdressing

> What is this course?

This Intermediate 1 course provides a broad introduction to hairdressing. The focus is on experiencing the salon environment to learn about the different roles and responsibilities in hairdressing and to begin to develop vocational skills and knowledge.

> Course content:

- Salon awareness
- Shampooing, conditioning and drying hair
- Creativity
- Customer care

> Who should consider this course?

Anyone who enjoys hands-on learning and wishes to gain practical skills needed to work in the hairdressing industry.

> What makes this option different?

The main difference between this course and your other standard grades is that we have made the learning "more realistic" for you. You will learn practical skills in the College Hairdressing Salons which will prepare you for further learning and employment.

> What can I do when I finish the course?

Progress to the introduction to NQ Hairdressing at Coatbridge College.

"I like going to Hairdressing because it is educational and you learn something which you can't in school. What I like most about hairdressing is that you practice doing hair and this gives you confidence to talk to other people."
